Networking

Along with the formal content of the Middle Leadership Programme, a core aim is to ensure BAME participants have access to a supportive network of school leaders. Time is always allocated to sharing resources and experiences. Nida Trust has key partnerships with leaders in the profession and with Higher Education institutions.

The program will help you to:

- Deepen your understanding of effective leadership in education
- Provide you with the confidence and skills to lead and manage your team
- Enable you to have difficult conversations
- Plan for your own leadership development
- Secure a leadership role

How will Nida Trust support you?

- Provide you a mentor along your leadership journey
- Support your application process
- Practice/mock interviews
- Provide access to a network of outstanding leaders

What Next?

Nida Trust runs the “Accelerating into Senior Leadership” course for leaders interested in senior positions. We also work closely with Christ’s Canterbury University and their Leadership MA and Doctorate programmes.
